RIVER CLEAN UP

Consent of Custodial Parents or Guardians

We the custodial parent(s)/guardian(s) of the minor volunteer identified below, and in consideration of the obligations undertaken by the Friends of the Shiawassee River, hereby consent to the minor volunteer performing any and all work associated with the Shiawassee River Clean-Up. We understand that a river and its surrounding banks are a dangerous place and are anticipated to contain rocks, logs, trash, wildlife, deep water and other potentially dangerous materials, which, if an accident occurred, could cause injury to participants. We understand that the minor volunteer could lose their footing and fall, which could result in injuries to muscles, bones, or other body parts and the minor volunteer could be cut and become infected. We understand that if tools or equipment are used they may, even if used properly, cause injury. We understand that there are many other more serious injuries that can not be anticipated that the minor volunteer could suffer while volunteering with this River Clean-Up. We hereby accept the risk on behalf of the minor volunteer.
